

Using SMART Boards/SMART Notebook: The Next Steps

This course will provide participants with hands-on experiences in using a SMART™ Board and SMART™ Notebook software. They will explore the “next steps” in using interactive whiteboards and integrating them into their classroom practice. Basic and advanced tools of SMART™ Notebook version 10 will be demonstrated and explored. Participants will create engaging and interactive lessons using the advanced SMART™ tools and resources. The Student Response System (clickers) and the SMART™ Document Camera will also be demonstrated.
