8:30 AM - 11:30 AM

Hotel Chequamegon

## DPI MODEL EDUCATOR EFFECTIVENESS CALIBRATION

Observer/Evaluator teams in the DPI Model Educator Effectiveness System are required to annually "Calibrate" to ensure consistency. The 2023-24 DPI Teacher Observer Training Part 2 will guide our session.

Participants will engage in interactive collaboration focused on evaluation practices that:

- Focus on the Framework for Teaching
- Collect & Analyze Evidence During Observations
- Use the Framework for Teaching to Guide Feedback
- \*District team registrations are encouraged

E-MLSS Key Features:  
High-Quality Instruction  
A Strong Universal Level of Support  
Strong Shared Leadership  
Evidence-Based Practices

Cost: \$10 per person (cost recovery for food) Sponsored through Educator Effectiveness (both models) District Leadership Support
