PUPIL NONDISCRIMINATION SELF EVALUATION VIRTUAL WORKSHOP

WI Admin Code § PI 9.06 requires school boards to evaluate the status of nondiscrimination and equality of educational opportunity in the school district at least once every five years and report the results to the Department of Public Instruction. **The evaluation assurance is due May 30, 2024.**

These two half-days of instruction and work time will cover state law and regulations, resources to develop your school's evaluation report, review required elements, and provide a template for use.

You will have time to generate a plan and collaborate with your team during these sessions. Courtney Reed Jenkins and Patti Williams from WI DPI will be joining us online and available to answer questions as well.
