FULL DAY WORKSHOP WITH JOHN SANGIOVANNI

John SanGiovanni is a best-selling author and nationally recognized leader in mathematics education. He works as a mathematics coordinator in Howard County, Maryland leading curriculum development, professional learning, assessment, and digital mathematics education. He is an author of more than two dozen books and international consultant providing professional learning for mathematics content, pedagogy, and curriculum design. John is a frequent speaker at conferences and school districts across the country. He is active in professional organizations serving on the Board of Directors for both the National Council of Teachers of Mathematics and the National Council of Supervisors of Mathematics.
