

Leadership Using Data

2024
July 31, 2024
9:00 AM - 12:00 PM

Facilitator:
Mary Ann Hudziak
Co-Director | Learning and Assessment

Dive into Dynamic Dashboards! WISEdash for Districts is a valuable tool for investigating school or district data on academic achievement, progress, and engagement. This session will spotlight dashboards illuminating student engagement, academic proficiency, and growth. School and district leaders will gain insight into navigating 'WISEdash for Districts' and 'WISEdash Public,' enhancing their data investigation process. Register today and 'Be WISE!'

Outcomes

- Learn a process that can be used to investigate academic data
- Learn the different dashboards available in each WISEdash version (Public and Secure) and the many visualizations they offer
- Gain access to a tool for collecting the data visualizations for discussion and planning
- Learn and practice locating and manipulating the robust functionality of the tools

Who Should Attend?

- District and school administrators, specialists, curriculum/data coordinators, special education directors, EL coordinators, school counselors, and lead teachers.
