

# Ignite Passion for Learning

2024-2025

OCT 30 | DEC 17 | FEB 12 | APR 29

9:00 AM - 3:00 PM

**Facilitator:**

Mary Ann Hudziak

Director | Learning & Assessment

In every classroom, there is a rich tapestry of learners, each with unique strengths and needs. As educators, we have the profound responsibility to ensure that each student is challenged and supported in their learning journey. This series is specifically designed to equip educators with the skills and strategies necessary to meet the gifted and talented needs of students, ensuring they thrive academically and personally.

## Outcomes

- Collaborate on designing effective and inclusive gifted programming that meets the unique needs of your students
- Discover innovative instructional techniques to engage learners daily
- Review and update the district gifted/talented plan using the NAGC Gifted Programming Standards as a guide
- Use research to guide analysis of programs, opportunities and resources connected to core curriculum for gifted/talented students
- Access a wealth of resources to aid in the development and implementation of your gifted education plan

## Who Should Attend?

- Educators, administrators, and coordinators passionate about enhancing their skills in gifted education. Whether you are a seasoned professional or new to the field, you will find valuable insights and practical tools to apply in your school/district.
