

Leaders Who Work Directly With Multilingual Learners

Network & Resource Sharing

During the 2024-2025 school year, the English Learner (EL) Leadership Connection Series will meet three times with ongoing online collaboration throughout the year. Members of this series will have the opportunity to explore and discuss current topics & learn about program and district-level best practices to support multilingual learners and families.

This connections series qualifies as professional development under Title II, III, and IV.
