

Score Reports To Guide Instruction & Plan Supports

2024-2025

November 21, 2024

9:00 AM - 3:00 PM

Facilitator

Lori Menning

Language & Culture

ACCESS for ELs scores have many potential uses, from determining student placement to guiding instruction. This workshop is designed to assist in interpreting ACCESS scores to assist in data based decision-making. Attendees should have online access to the most recent ACCESS for ELs score reports.

Outcomes

- Prepare school staff to effectively analyze ACCESS data
- Understand how the data can be used to differentiate and plan instruction for ELs
- Learn about the WIDA Standards Framework

Who Should Attend?

- Any staff working with English Learners
- Teams are encouraged to attend
