Data Validation & Snapshot Readiness

2024
November 14, 2024
9:00 AM - 12:00 PM

Facilitator:

Mary Ann Hudziak
Co-Director I Learning and Assessment

WISEdash for Districts is a valuable tool for data validation. This session will focus on the data validation process for the WISEdata Student Snapshot (December). School and district leaders, along with data entry staff, will gain a better understanding of using WISEdash navigation and dashboard functionality as part of a data validation process prior to the snapshot. Register your data team to maximize collaboration and effectiveness. 'Be WISE' and register today!

Outcomes

- Learn how to effectively use WISEdash for Districts to identify potential data errors, ensuring higher accuracy in the December Student Snapshot.

- Gain a comprehensive understanding of the data validation process, including best practices for reviewing and verifying data before submission.

- Develop strategies for collaborative data review, leading to more efficient and effective data management and snapshot readiness.

Who Should Attend?

- District and school administrators, lead data entry specialists, curriculum/data coordinators, special education directors, EL coordinators, school counselors, and lead teachers.
