

# Science Educator Network

Professional Learning Networks help bring educators together, who sometimes are singletons, to engage in collaboration and differentiated professional learning. The Science Educator Network is a great way to connect and collaborate with other professional science educators in our region.

We will discuss the latest local, state, and national initiatives, while engaging in deep conversations with one another around effective instructional science practices:

- Effective Science Teaching and Learning
- Implementing 3D Assessments
- Teaching using NGSS Storylines
- Inquiry based learning with hands-on experiences
- Increasing Science Literacy
- Interpreting NGSS and developing proficiency Rubrics

**October 15, 2024 - 9:00 AM to 3:00 PM**

Session 1: Translating the NGSS for Classroom Instruction

**January 14, 2025 - 9:00 AM to 3:00 PM**

Session 2: Framework for Science Instruction and Assessment

**April 8, 2025 - 9:00 AM to 3:00 PM**

Session 3: Teaching Science Thinking and Creating Scientists
