

School & County Youth Services - Partnerships & Connections

Partnering with your local County Youth Services can help school districts strengthen their ability to meet the needs of students and families. Effective collaboration between school and County systems has a positive impact for students, families, and school professionals. Join CESA 6 for a workshop facilitated by our CESA 6 School Social Worker Consultant with guest speakers from County Youth & Family Services and district-level School Social Work.

Outcomes

- Increased knowledge about the scope and function of County Youth Services
- Ideas for creating systems and processes for effective cross-system communication
- Strategies and best practices for successful collaboration and overcoming barriers

Who Should Attend?

- School Social Workers
- School Counselors
- Student Services Staff
