

# Summary of Performance

The Wisconsin Statewide Transition Initiative (WSTI) is collaborating with the Regional Service Network (RSN) to assist educators with the understanding and implementation of the Summary of Performance.

**Date: Monday, April 23, 2012**

**Time: Check-in at 8:30 am.**

**Presentation from 9:00 a.m. -2:00 p.m.**

**Location: CESA 12 Conference Center, Room 1**

This professional development opportunity will provide participants with the following information:

- 1) Understanding the “who, what, when, and why” of the SoP
- 2) Review of the findings of SoP surveys completed by school districts, DVR liaisons, ADRC directors, and postsecondary education disability services staff
- 3) New information that is helpful for disability determination
- 4) New effective practice SoP forms
- 5) Examples of SoPs for various disabilities
- 6) SoP checklist to review SoPs----**please bring SoPs to review with the checklist in the afternoon**
- 7) Discussion of the impact of Common Core Standards and the new SLD criteria on SoP development and content

**There is no fee for this workshop. This professional development opportunity is supported through funding from the IDEA Discretionary Project #12-74-9912 – IDEA10– Regional Service Network (CFDA #84.027)**

Target Audience: Special Ed. Directors, School Psychologists, H.S. Special Ed. Teachers
