

# School Psychologist Collaborative Series

The CESA 6 School Psychologist Collaborative Series is an opportunity for School Psychologists to connect with colleagues on the implementation of best practices in the area of school psychology. The network will meet four times during the year to share ideas and strategies in a structured format to allow for active discussion, exchanging ideas and sharing best practices and resources with one another in a collaborative environment.

## Who Should Attend?

School psychologists. Please note: For session #2, the school psychologists' and school social workers' collaboratives will be a combined event.
