

Conscious Discipline Workshop Teaching To The Head, Hand and Heart

Behavior Techniques, Strategies and Resources for the Classroom

January 29 & March 12, 2010

Conscious Discipline® is comprehensive social and emotional intelligence classroom management program that empowers teachers and school staff. Based on current brain research, child development information and developmentally appropriate practices, the goal of the program is to provide systemic change in school settings by fostering the emotional intelligence including self-control of adults first and children second.

This research based workshop teaches effective strategies designed to:

- ♥Boost academic achievement
- ♥Decrease problem behaviors
- ♥Develop essential social skills
- ♥Enhance parenting skills
- ♥Build character and integrity
- ♥Improve cooperation
