

# TIG/CISM Implementation Practice Series

Sessions 1 & 2: February 3, 2025

February 3, 2025

- 8:30-11:30 AM In-Person\* | 12:30-3:30 PM In-Person
- All in person events are hosted at the CESA 6 Conference Center 2300 WI HWY 44 Oshkosh, WI

\*lunch served for full day participants

**Facilitator:**

Amy Scheel-Jones, Director of Trauma-Responsive Care and TIG for Coordinated Care Services

## Session Content Spotlight

### Sessions 1 and 2

**AM: Crisis Response Fundamentals and Crisis Management Briefing (CMB)**

**PM: Review and Practice Defusing**

Register for one or both sessions

Crisis Team Leads who attend **all four 1/2 day sessions** will have the added experience of seeing how to run these types of review and practice sessions in their home districts with their own teams, including the **experience and materials to replicate the learning with their own teams.**

## Outcomes

- Refresh learning on critical TIG/CISM concepts
- Scenario presentation with team time to develop a response/support plan
- Receive feedback for improvement planning

## Details

- CESA 6 is committed to providing accessible, quality support for school crisis prevention and intervention teams. **All Crisis Teams who have completed TIG/CISM training at CESA 6 can attend all 4 events free of charge.**
- A nominal charge of **\$25/person** will be charged for full day attendees for snacks, lunch, and beverages for each full day of attendance

## Who Should Attend?

Designed for teams who have **already completed the TIG/CISM training series** and are seeking ongoing opportunities to practice the intervention skills taught in the series. Participants can register for one or all of the individual events. Team participation is strongly encouraged.
