

From Data to Action

2024

October 10

9:00 AM - 12:00 PM

Facilitators:

Mary Ann Hudziak, Co-Director | Learning and Assessment

This workshop will provide an in-depth exploration of the State Accountability Report Card. Participants will investigate and develop a clear understanding of the latest measures. We will delve into the data to enhance data literacy and ensure quality local data entry and validation practices. The workshop encourages networking and collaboration with colleagues. To maximize its effectiveness, bring your data team.

Outcomes

- Explore the report card features
- Make meaning of the numbers and ratings
- Investigate the factors behind the data
- Plan for next steps
- Network with other districts

Who Should Attend?

- District and school personnel responsible for interpreting and communicating report card data to stakeholders. This may include curriculum coordinators, teacher leaders, building administrators, department leaders, or technology directors.
- (Participants should have access to the detailed version of the secure report card in SAFE)
