"Throughout my Middle School and High School years I was verbally and physically bullied for being gay. With the help of Lambda Legal Defense and Education Fund I fought back. I won a landmark federal lawsuit against my school administrators for failing to stop the harassment. I now speak out for the millions of kids bullied in our schools everyday. I share my story and consult with schools to make sure what happened to me is never repeated."

Please register via the CESA #3 webpage using myQuickReg Register advisors and place number of students in Notes box. Contact Deb Goold, dgoold@cesa3.k12.wi.us for more information.
