IDEA CFDA 84.027

Wisconsin Rtl Center Networking

*Where is your school in the process of implementation of Response to Intervention?
What are other schools doing to juggle RtI, CCSS, SLD, and PM?
How is all this going to get done?*

Outcome:

- Come to a common understanding about the components of the DPI's vision for RtI in Wisconsin and learn about the implementation of that vision within your buildings.
- Utilize a timeline to help organize and prioritize your RtI implementation efforts around the SLD rule to ensure you are ready by November 30, 2013.
- Learn and network with other schools, RtI Center/PBIS Network Technical Assistance Coordinators and CESA 6 staff.

Audience:

- These sessions are designed for building level and district level RtI leadership teams.
- Special Education staff (Directors, School Psychologists, Program Support Teachers) are encouraged to attend and participate.

Preparation:

- Bring materials outlining curriculum, instruction, collaborative protocols, forms, and assessment tools to share and swap with other buildings
- Completion of the School-wide Implementation Review on the WI RtI Center website is beneficial.

Cost: \$30.00 per person includes materials and continental breakfast or afternoon snacks (lunch is not provided).
If attending March 9th-Mini RtI Overview (am) and RtI Networking (pm) cost will be \$50.00.

Dates and Locations:

Special accommodations:

Presenter: Dan Seaman is the East Regional Technical Assistance Coordinator for the Wisconsin RtI Center. He works with districts and schools in CESA 6 and CESA 7 to provide training and assistance on implementation of Wisconsin's Vision for RtI. Prior to working for the Wisconsin RtI Center, Dan has been a School Psychologist for several districts in CESA 7 and CESA 6.

Presenter: Michelle Polzin is the Positive Behavioral Interventions & Supports Technical Assistance Coordinator (PBIS TAC) for the East Region of the Wisconsin PBIS Network. Michelle has been working with school teams and RTI systems in the capacities of REACH Center Coordinator, REACH Mentor, PBIS Coach, RTI Coordinator and school psychologist for the past 11 years. She has expertise in the areas of collaborative team processes, professional learning communities, data-based decision-making, problem-solving, progress monitoring and evidence-based practices.
