

# Sneak Peek and Overview

## CommonCore Curriculum™

common core state standards  
companion

**April 26<sup>th</sup>**  
**8:30 – 3:00**

This workshop is intended to give district decision-makers an opportunity to 'kick the tires' of the Curriculum Companion for ELA and Math. The first hour will be a repeat of the information provided in the Curriculum Review Day on February 7th. At 10:00 we will introduce the math portion of the Companion. After lunch we will look at the English Language Arts portion. The day will end with a whole-group Q & A and discussion.

*Registration cost: \$20.00*

*~ Lunch and materials are included ~*

Pre-registration is required and can be completed online by visiting [www.myquickreg](http://www.myquickreg). First time users will be asked to fill out online registration information so that you may register for this and other CESA #4 workshops. Registration Deadline: April 20th
