Workshop Description: This half day workshop will provide guidance for implementing Wisconsin's revised SLD rule through the administrator's perspective of leadership for school improvement. Using PowerPoint presentation, discussion, handouts, and case study activities, participants will be able to:

- ◆ Understand the essential components of the SLD rule.
- ◆ Guide staff in finding and evaluating research-based interventions and progress monitoring tools for applicability and efficacy.
- ◆ Distinguish the difference between Response to Intervention and what the SLD rule requires of schools.
- ◆ Implement the school wide notification requirement.
- ◆ Recognize administration's role in monitoring fidelity.
- ◆ Understand the importance of collaboration in implementing the SLD rule and guide school staff in assuming their individual roles in the process.

Not designed for school implementation teams
