

CURRICULUM COMPANION 4-DAY CURRICULUM CAMP

PRESENTED BY: JULEE DREDSKE, LISA ARNESON, CATHY HUNT, ERIKA O'LEARY

JULY 9-12, 2012
CESA 5 PORTAGE

Designed by national content experts and Wisconsin educators, the Math and ELA Common Core Curriculum Companion provides the scope and sequence to teach all core standards. This online comprehensive tool provides easy navigation through teaching modules and provides customization for local resources.

This 4-day event is designed for teams of teachers to dig deeply into the Curriculum Companion. Districts should already have purchased the curriculum Companion and have a login and password. Teams should bring their resources, laptops and plan to work. CESA 5 facilitators will guide the group as they delve into the instructional modules of the Curriculum Companion tool and plan their teaching and resources. This will be tailored to the teams in attendance, so upon registration, teams will be contacted by CESA 5 staff for more information.
