

Mentor Training

AUGUST 17, 2012
CESA #12 CONFERENCE CENTER
9:00 AM – 3:30 PM
Registration 8:30 AM

In this workshop Mentors for Initial Educators will examine the essential areas of PI34 and how these rules affect new teachers, develop a year long plan with tentative goals to use working with the new teachers, identify mentor attributes and how to incorporate them in the mentor mentee relationship, and discuss and understand the PDP process and the role of reflection. They will then have the opportunity for a discussion of successful strategies to implement in their classrooms.

Presenter: Maija Alexandrou, CESA #12 Director
