

WORKSHOP: SLD RULE FOR ADMINISTRATORS

June 20,
2012

LOGISTICS

Location: CESA #4, 923 East Garland Street, West Salem, WI 54669
Time: 9:00am – 12:00pm (Registration begins at 8:30)

WHAT TO EXPECT

This half day workshop will provide guidance for implementing Wisconsin's revised SLD rule through the administrator's perspective of leadership for school improvement. Using PowerPoint presentation, discussion, handouts, and case study activities, participants will be able to:

- *Understand the essential components of the SLD rule.
- *Guide staff in finding and evaluating research-based interventions and progress monitoring tools for applicability and efficacy.
- *Distinguish the difference between Response to Intervention (RtI) and what the SLD rule requires of schools.
- *Implement the school wide notification requirement.
- *Recognize administration's role in monitoring fidelity.
- *Understand the importance of collaboration in implementing the SLD rule and guide school staff in assuming their individual roles in the process.

TARGET AUDIENCE

Special education directors and coordinators, pupil services administrators, principals and similar administrative staff.

This training is not designed for school implementation teams. Full day trainings will be offered beginning in the Fall of 2012 for school-based teams comprised of classroom teachers, reading specialists, special education teachers, school psychologists and other related school staff.

HOW TO REGISTER

This is a free workshop, but please register to give us an accurate food count.
