# CESA 6

## Date: Friday, April 27, 2012
## Location: Online – Adobe Connect
## Time:  1:00 p.m.

April 27, 2012

Support for setting up user access in the Longitudinal Data System (LDS)

**AFTERNOON AGENDA AT A GLANCE**
**LDS Assigning Access Support**
**SAFE:** Tool used to enable districts to access secure files.
Specifically this tool contains:
AMAO Reports,
Student Growth Percentile Reports, and
School Report Cards-coming soon!

## *Please register by Wednesday, April 25, 2012*

### Who should register?
- **The district Application Security Manager**

### What to have available?
- **Access to Firefox or Chrome – Internet Explorer does not always work as well.**
- **A list of people that you want to give SAFE access to**
  *(Please be sure each of these people have a WAMS ID!)*
