

# Math Excellence in K-8 Targeted and Schoolwide Settings

Presented by: Jodean Grunow Ph.D.

October 13, 2009  
Glacier Canyon Lodge—Wisconsin Dells

Schoolwide or Targeted Mathematics Title I programs have the flexibility to offer services and resources for academic success for students. This workshop is designed to identify the best components for successful programs.

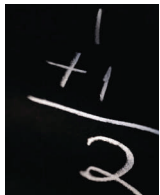

During this workshop you will learn:

- The components of Title I Mathematics  
Targeted and Schoolwide
- The philosophical differences between targeted and schoolwide mathematics programs
- Compare and contrast targeted and schoolwide programs
- Do a brief self assessment
- Identify the assessment criteria for participation in a Title I mathematics program
