

# The 2012 Wisconsin S<sup>2</sup>.M.A.R.T.<sup>™</sup> Coach Academy

**Purpose:** Build sustainable internal capacity for continuous improvement at the school, PLC and classroom levels by certifying and licensing S.M.A.R.T. trainers and coaches from CESAs, other organizations, and Wisconsin districts.

**Format:** Over the course of the school year, up to 30 participants will be immersed in learning in a coached environment to conduct S.M.A.R.T. Goals training and coach teams for implementation. The network of participants will be supported using tele-symposiums and one-on-one coaching.

**Training materials:** Participants receive 2 books, PowerPoints, Instructor Guides, Participant Manuals, 1 style inventory, and a license to use materials and templates. In addition, participants have access to all updated tools, videos and support resources including training modules for a period of 2 years.

**Cost:** \$3200 per participant + \$500 license fee per organization or district

# The 2012 Wisconsin S<sup>2</sup>.M.A.R.T.<sup>™</sup> Coach Academy

**Purpose:** Certify and license organizational and district S.M.A.R.T. coaches to build sustainable capacity for continuous improvement.

**Description:** The S.M.A.R.T. Coach Academy is a step-by-step, hands-on, guided learning experience that takes participants through the S.M.A.R.T. Goals Process – a data-driven, collaborative process focused on improving student achievement. At each step, participants learn tools and methods for engaging their PLC colleagues in research-based professional practices. The Academy provides individuals with the time, support and personal coaching in the skills and knowledge needed to facilitate the S.M.A.R.T. Goals Process.

**Objectives:** Participants will leave the Academy...
