

# BYOC Connecting/ Sharing Group

**November 7, 2012; February 5 and April 4, 2013 • 12:30—3 p.m.**

**Presenter: Mary Ann Hudziak**  
CESA 6 Coordinator of Math & Science

## Description

Improving student learning through sound curriculum and assessment. Build Your Own Curriculum may be a new product for you or perhaps you have used it for a long time, either way, this opportunity to network is open to you. Share what you like about this system or bring questions. This networking opportunity will be available three times this year. A new agenda will be prepared for each gathering based on your requests.

## Network Objectives

- How do we update curriculum?
- How do we publish courses?
- How can we share or copy curriculum?
- How can I apply the Common Core Standards of Mathematical Practice and Disciplinary Literacy to all courses?
- What kinds of reports are available and how do the different stake holders access them?
- What is Build Your Own Assessment and how does it work with Build Your Own Curriculum?

## Who should attend?

- Principals; Curriculum and Assessment/Technology Coordinators
