# Identifying Community Strengths: A Discussion with John McKnight

**Tuesday, September 18, 2012**

**10:00 a.m. - 3:00 p.m.**

**The House on the Rock Resort, 400 Springs Dr., Spring Green, WI 53588**

Join us for a meaningful meeting with John McKnight, a long-standing researcher on community development from Northwestern University in Chicago.

He has long been a proponent of the importance of building on the strengths within our community - as opposed to the deficit model of looking at communities as a problem to be fixed.

To view John McKnight's research and projects, please visit [www.abcdinstitute.org](http://www.abcdinstitute.org). He is also the author of "Building Communities from the Inside Out."
