The *Fountas & Pinnell Leveled Literacy Intervention System (LLI)* is a small-group, supplementary intervention program designed to help teachers provide powerful, daily, small-group instruction for the lowest achieving children in the early grades.

- Lessons across the three systems progress from beginning reading in Kindergarten or Grade 1 (Level A) to beginning reading for Grade 3 (Level N).
- LLI is designed to be used with small groups of young children who need intensive support to achieve grade-level competency.
- English language learners can also benefit from LLI. Each LLI lesson provides specific suggestions for supporting English language learners.

You will need to bring an LLI kit to this workshop series to get the full benefit. Laurie provides amazing hands-on training and understanding of all components in the system!!!

**Space is limited to 30
attendees.**

**Cost is \$300 per participant
for all 3 days—all districts.**
