

CESA #3 AUTISM NETWORKING

The CESA #3 Autism Network is an opportunity for teachers and program support staff to collaborate and network with one another. The networking sessions will meet on a quarterly basis to provide an open forum for discussion, DPI updates, refreshers on evidence-based methodologies, sharing of current research in the field, collaboration and much more. In addition, guest speakers will present on a variety of autism-related topics throughout the year. If you have questions or concerns regarding the networking sessions please feel free to contact Carol Lynn Wheelock-Mashlan, CESA #3 Autism Consultant, at cwheelock-mashlan@cesa3.k12.wi.us or 608-547-6183.

There is **no charge** to attend these sessions but please pre-register on My QuickReg as dinner will be provided.
