

## **Materials Science Center Teacher Workshop**

**Thursday, August 16 - 1:00-3:00 PM**  
**Saturday, September 15 - 9:00-11:00 AM**  
**University of Wisconsin—Eau Claire**

### **Registration**

*MyQuickReg.com* system is replacing the *MyCESAPortal* for all agency events effective July 1, 2012.

**STEP 1** – Go to [www.MyQuickReg.com](http://www.MyQuickReg.com).

**STEP 2** – Log in as a current user, or select **New User**. If you are a current user, please update your profile.

**STEP 3** – Complete **all** data fields and **SAVE**. You are now a registered user.

**STEP 4** – To view events, click on **All Events**. You will see a calendar of Events offered by a variety of CESAs.

**STEP 5** – To locate CESA 10 Events, change agency selection to **CESA 10**.

While in the CESA 10 directory, the **Advanced Search** feature will assist you to find specific topics. For assistance, click on **HELP** in the upper right hand corner of the screen.

- Examples of hands-on science activities teachers can do with their students. Or faculty and students from UWEC can bring hands-on activities to your classroom.
- Demonstrations from the traveling Materials Science/ Nanotechnology Demo show. Faculty and students can come to your school and give presentations.
- Opportunity to use a Scanning Electron Microscope and X-ray Fluorescence Spectrometer and learn how these instruments can be used in your classroom.
- Tours of the Materials Science Center. Learn about the research students and faculty are doing at UWEC.
