

Common Core Curriculum CompanionSM for *Special Educators*

Thursday, August 23, 2012
9:00 AM—3:30 PM
CESA 8 Office

Designed by national content experts and Wisconsin educators, the Math and ELA Common Core *Curriculum Companion*sm provides the scope and sequence to teach all core standards. This online comprehensive tool provides easy navigation through teaching modules and provides customization for local resources.

Features:

- Uniquely structured content designed for the Common Core Standards
- Includes professional unpacking of the standards, expanded in mathematics
- Categorizes standards by inquiry module for instructional planning (focus standards, conceptual standards, strategy standards, application standards, ...)
- Easy to follow grade level navigation of sequenced modules
- Provides focal points for module lesson planning with lesson plan templates
- Reporting capabilities

This one-day workshop is geared specifically for Special Educators.

Cost: **Early bird registration received before August 16th** - \$100.00 per participant, after August 16th \$125.00 per person.
