

Calling All Teachers of English/Language Arts and Media Specialists!

You are invited to participate in the development of a statewide project that will provide teachers in Wisconsin with a database of resources they can search to find examples of classroom activities to teach information technology literacy that is integrated with English/Language Arts.

You can earn a \$210 stipend for working on this project!

WHEN: Tuesday, August 14, 2012 from 8:30 a.m. to 3:00 p.m. (lunch included)

WHERE: CESA 8 Office, 223 W. Park Street, Gillett, WI

AUDIENCE: Open to all English/Language Arts teachers and Library Media Specialists in CESA 8 school districts

WHAT: Project participant requirements and obligations include:

1. Participate with a team of K-12 teachers responsible for ELA and/or media specialists in your CESA 8 region to gather online resources.
2. Familiarity with the new ELA Common Core State Standards and/or Google apps for education is preferred.
3. Attend the full workshop and submit 5 resources.
4. Participants will be paid a stipend of \$210 plus mileage and lunch.
5. Participants have the option to integrate a new online resource into an existing lesson plan for one Viterbo Graduate Credit (paid for by the participant).

REGISTRATION

DEADLINE: Thursday, August 9, 2012

There is a limit of 10 participants for this project. Submit your information now to be on the list!
