An Introduction to

Two-Day Workshop

February 15 & 22 or August 15 & 16, 2012

9am-3pm in Room D at CESA 10

725 W. Park Ave. Chippewa Falls, WI 54729

This is an introductory 2 day workshop. No prior knowledge or background with Moodle is expected.

Participants must bring a laptop with wireless Internet capability.

Moodle is software to create and manage classroom websites with secure online learning activities: forums, journals, glossaries, wikis, quizzes, assignments, resources, etc. It is appropriate for grades 4-12 and all subject areas. Participants in this hands-on workshop will gain a thorough understanding of what Moodle can do, as well as begin to build their first "course." Follow-up support options will be discussed. To learn more about Moodle explore <http://moodle.org/> Lunch is provided.

No cost to school districts that subscribe to ETS Consulting and Staff Development, \$250 per participant per day to others. There will be an option to earn 1 graduate credit from Viterbo for \$110.

Register via the MyCESA portal at <http://mycesa.k12.wi.us/>
