## Report Card Data Dig Workshop August 3<sup>rd</sup> Or August 17<sup>th</sup>

### How well do you know Wisconsin's New Accountability System?

This training will explain the new system and give you the tools to examine local data in new ways.

### Explore the New School Report Card . . .

Examine how the state's new Accountability Index will be reported to stakeholders.

- Learn the Priority categories and weighting measures
- See sample report cards for Elementary, Middle and High School
- Participate in discussions on district and community impact

### . . .then Conduct a Data Dig

Examine your own district and school-level data through the lens of the new report card. Look at:

- School achievement and trends
- Sub-group performance gaps
- Growth reports (\*Requires WAMS ID)
