

PDP Refresher Workshop:

Completing Your PDP Verification and License Renewal Process

December 22 or January 6

Presented by Julee Dredske

So you've written your PDP goal, but are not sure what happens next? Need a refresher or additional support for completing your PDP? This workshop will review the process of the next steps after your PDP goal has been approved. After this review session, we will continue writing your PDP with annual reviews, evidence, and final summaries. Participants should bring your PDPs, PDP goal approval form, Internet-ready laptops, QEI password (if you're doing a web-based PDP) and any other evidence they have gathered for completing your PDP. This time is dedicated to you to provide the support you need to complete the PDP process!
