

UTA300e: Implementing PBIS in your School: Tier I/Universal System Part 3

**November 11, 2009
9:00 AM – 3:30 PM**

Content: Participants will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and use the *Team Implementation Checklist* to self-assess current implementation and action plans around identified needs. In addition, participants will look at the *Benchmarks of Quality* to begin to understand the use of the tool in self-evaluation.

Presented by: Karen Lietzow, CESA 5 RSN Project Director, will facilitate the trainings, under the direction of Marla Dewhirst, Assistant Director, Illinois PBIS Network. The advantage of participating in the CESA 5 sponsored trainings is sharing of expenses and thereby reduced costs.

Who should participate: *Building level Universal teams that have attended Tier I Universal Team Training Part 1 & 2.* A team might include the following: building administrator, external and internal coaches, regular education teachers that represent grade levels, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional, and family members.

Participants should bring:

- School calendar and staff development days
- All artifacts/products from U100s and U200s such as behavioral matrix, cool tools/behavioral lesson plans, acknowledgement system, T-chart of behavior, “working smarter” grid, and any information shared with school community
- PBIS Manual received at Universal Team Training

- Objectives:**
1. Review all of the Tier I/Universal PBIS processes by working through the PBIS Team Implementation Checklist and action planning on School-Based Unified Action Plan for each component
 2. Plan implementation through development of systems, data, and practice
 3. Plan for stakeholder buy-in, implementation, and sustainability
