

# Data Development in Grades 8-12

November 15, 2012 • 8:30 a.m. - 3 p.m.

**Presenter: Mary Ann Hudziak**  
CESA 6 Coordinator of Math and Science

## Description

This workshop will look at one of the shifts of the Common Core – Probability and Statistics. Because these standards have been pulled out of the elementary grades, what does this progression look like for grades 8-12? We will dig into this domain and look at some options for where to instruct these standards in the high school.

## Workshop Objectives

- Become acquainted with the Statistics and Probability progression.
- Look at examples of where these standards fit into traditional courses.
- Determine ways you can instruct and model these standards.
- Look at resources available to help with this process.

## Who should attend?

Middle and High School classroom teachers, MS & HS Title I Teachers/Coordinators

## For additional information contact:

Mary Ann Hudziak, CESA 6 Coordinator of Math and Science, 920.236.0562
