

Online Teacher Training Program

6 week online course October 8, 2012 - November 19, 2012

This course will fulfill Wisconsin Act 222, which requires online teachers to have 30 hours of professional development. This course consists of technology skills needed to deliver content online, online course management, legal and ethical behaviors related to technology use, differentiation of online content and creating assessments appropriate in the online setting. Teachers will develop and practice the competencies and technologies necessary to successfully deliver online content.

Presenter:

Mary Maderich, CESA #12 Technology Specialist
