Through the CESA #3 webpage
REGISTRATION DEADLINE DEC. 1

Senate Bill 154 has passed the State Senate and is expected to be adopted in this session and will require all school districts to adopt a bullying policy by August 2010. Many districts have policies regarding sexual harassment but not bullying. Because of the time that it takes to get a policy through, and because every school district needs to have a policy on bullying, we are offering this workshop to assist schools in addressing this important topic..
