

# Autism Network Nights

October 9, December 11, February 7, and April 11  
4:30pm - 7:00pm

923 East Garland St.  
West Salem, WI

Autism Network Nights is a professional development and networking opportunity for educators within the CESA #4 region. Discussions will center around challenges and successes educators encounter on a daily basis when working with these students. Evidenced-based practices, interventions and strategies will be explored as well as a multitude of resources. This is an opportunity to have in-depth discussion amongst professionals that want to learn from each other in the area of autism.
