

# School Report Card Workshop Series—Fall 2012

CESA #2 Conference Center - 1221 Innovation Drive, Whitewater 53190

8:30-3:00

## Understanding the New School Report Card Tuesday, September 18th

This workshop will help participants gain an understanding of the new School Report Card in order to be able to explain it when it's released at the end of September. The workshop will be in two parts, with the optional afternoon portion focusing on more individualized and technical support.

**Morning 8:30 – 11:45AM** – We will discuss: 1) the bigger picture of DPI reform efforts, 2) ensuring access to school data, 3) the report card basics, 4) navigating available report card resources, 5) planning leadership response and communication efforts.

**Afternoon (optional) 12:30 - 3PM** – We will use the time for: 1) increased support to individual district needs, 2) planning next steps including communication efforts, 3) dig through school data to gain a deeper understanding of report card calculations (advanced, technical calculation support possible).

**Register:** go to [www.myquickreg.com](http://www.myquickreg.com)  
(1st time users will be asked to create a user profile before registering.)

### Cost:

Each workshop will have a \$30 materials/registration fee.  
Lunch and the optional afternoon session are included in this fee.

**Directions:** [www.cesa2.org/about/directions.cfm](http://www.cesa2.org/about/directions.cfm)

## We Have the School Report Card—Now What? Wednesday, October 3rd

This workshop will help participants understand what their School Report Card means and help communicate the results to the public. The workshop will be in two parts, with the optional afternoon portion focusing on more individualized support and planning.

**Morning 8:30 – 11:45AM** – We will discuss: 1) the report card basics with aim of understanding your data and what it means, 2) basic overview of report card data calculations, 3) navigating available report card resources from DPI and CESAs, 4) planning leadership response and communication efforts.

**Afternoon (optional) 12:30 - 3PM** – We will use the time for: 1) increased support to individual district needs, 2) planning next steps with a focus on clear communication, 3) dig through school data to gain a deeper understanding of report card calculations (advanced, technical calculation support possible).

**Register:** go to [www.myquickreg.com](http://www.myquickreg.com)  
(1st time users will be asked to create a user profile before registering.)
