Welcome back to the start of another wonderful school year!! During this day, Title I teachers will be brought up to date on the ESEA waiver, a preview of the SLD rule, our Spotlight schools, and our professional development plans for the upcoming year. Our focus for the afternoon will be on Math. Michelle Parks and some teachers who are implementing Math AddVantage will share what has worked and what the challenges are with that type of program. Towards the end of the day we have a couple schools who are going to share some neat happenings at their schools. We look forward to seeing all of you again. Please register through MyQuickReg for this event!

Sponsored by: State Title I Network

Learning Outcomes:

Participants will...

1. Be aware of new requirements for the ESEA waiver that the state of WI has secured with the federal government.
2. Explore the role of Title I within the new SLD rule.
3. Understand the significant role that Math education plays within Title I.
