Google Apps for Education
Forms & Spreadsheets

Bring Google Forms and Spreadsheets into your office, classroom, school, and district

See the power of Google Forms and Spreadsheets!! Quickly gather data, collaborate with colleagues, parents, or students, analyze the results. Come see practical examples of how the use of Google FREE tool will make your life a lot easier.

Your district does NOT have to have implemented Google Apps for Education in order for you to utilize this tool.

By attending this workshop participants can expect to learn:

- Tips and Tricks of Google Forms
- Sharing, collaborating, and analyzing
- Putting Forms to Use; some examples are:
  - Reading Records
  - Authorization, Contact forms
  - Equipment Reservations
  - Surveys, Self-Grading Quizzes/Tests
  - Assessment, Evaluation, Reflection
