## Using iPads/iPods within the Middle/High School Classroom

Friday, January 11, 2013 • 9 a.m. - 3 p.m.

**Presenter: Paula Walser**  
CESA 6 Director of E-Learning

### Description

The iPad changes the way teachers and students access the web, share media, and learn on the go. Join us for this "hands-on" learning opportunity to explore the use of iOS devices including ipads, ipods and iPhones within the middle/high school classroom.

Participants will be provided with access to a website with resources and in-depth tutorials for apps. Popular accessories for use with iOS devices will also be available for exploration.

### Workshop Objectives

- Learn the basic operation and use of the ios devices including screen shots, locking, restrictions, folders and setting control.
- Learn apps by curricular category including science, math, writing, reading, organization, music and the arts.

### Who should attend?

- Middle and High School Educators and building leaders
