Student Intervention Monitoring System (SIMS): User Training

SIMS is designed to manage the documentation of student needs and interventions for all students (at-risk, GT, ELL, etc.) in areas of behavior, academics, and attendance. SIMS incorporates critical features of RtI, including universal screening, high quality instruction, collaborative problem solving, and the use of data to make educational decisions.

CESA 6 is the place to start if your district is ready for SIMS

- On behalf of CESA 6, the Winneconne School District will host a one-day SIMS Users Training for a district team of four on **February 23, 2010**. Session will begin at 8:00 a.m. and conclude at 4:00 p.m.
- Your Team will need:
  - One administrator plus 3 teacher users

Your Local SIMS contacts for CESA 6 are Cheryl Simonson and Karin Martino. Please see the contact information listed below.

Cost:
$1500 per 4-person team, including one administrator. This fee covers SIMS User Training, access to the Local Administrator Training and Content Builder Training, and technical assistance.

Registration:
Please register for CESA SIMS User Training through myQuickReg
