## Objectives

Participant will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and use the Team Implementation Checklist to self-assess current implementation and action plan around identified needs. In addition, participants will look at the Benchmarks of Quality to begin to understand the use of the tool in self-evaluation.

Understand the essential components of school-wide positive support systems that provide behavior supports to all students. Plan implementation through development of systems, data and practice. Plan for stakeholder buy-in, implementation and sustainability. Receive technical assistance from PBIS Network in developing and planning for implementation of school-wide systems
