Wisconsin has a new school accountability system and new school report cards. The report cards place a high value on integrating information used to tell the public how schools are doing with information that gives practical guidance to schools on how to improve. This session will be offered twice on Friday, September 28th from 9:00-11:30 and from 1:00-3:30. Choose the session that best fits your schedule. Bring your school report card to learn about the Accountability Rating Index, the Priority Areas, Student Engagement Indicators, Annual Measurable Objectives, and resources available to communicate with parents and community members. Your school report card can be accessed by logging into Secure Home at <http://dpi.wi.gov/lds/index.html>. In order to log in, you must be granted access by your district's Application Security Manager. If you have questions, please contact : Nancy Forseth at nforseth@cesa10.k12.wi.us or Candy Lund at clund@cesa10.k12.wi.us.
