## Apps and iPads for Children Birth to Age 6!

Friday, November 30, 2012 • 9 a.m. - 3 p.m.

**Presenter: Paula Walser**  
CESA 6 Director of E-Learning

### Description

- Looking for ways to use your iPad with your young students?
- Lost by the huge array of apps available?
- Wondering how the use of the iPad might be beneficial for young children with autism spectrum disorder, cognitive disabilities or developmental disabilities?
- Looking for resources for FREE apps?

The iPad provides an abundance of possibilities for assistive technology and the opportunities it lends to children in the Birth-3 and early childhood programs. In this "hands-on" workshop, we will explore the iPad's basic navigation, accessibility features, pre-installed applications and accessories. We will also explore apps in the area of music, language development, fine motor, story books, games, conceptual development/readiness skills, visual schedules, puzzles, speech and language, video modeling, calming, self regulation and much more.

### Workshop Objectives

- Learn and understand the basic operation of the iPad
- Apply the capabilities of iPad for supporting teaching and learning.
- "Hands-on" instruction on classroom apps in specific content areas.
- Participants will be provided with a comprehensive listing of apps by category as well as access to a website with resources for using the iPad.

### Who should attend?

- Preschool, kindergarten and early elementary regular education and special education teachers and building leaders.. (Participants are encouraged to bring their own iOS device (iPhone, iPad, iPod - as a limited number if iPads will be available for use by those without a device.
