

# SMART Board™ Training at

Interactive Whiteboard

*Get to know your SMART Board with this introductory training*

If you are a K-12 and higher education instructor who would like to understand how to integrate the SMART Board Interactive Whiteboard into your curriculum, you should attend this seminar!

If you are a NEW SMART Board Interactive Whiteboard user, you should attend this seminar!

If you just want to have a better understanding of how to use the SMART Board Interactive Whiteboard and Notebook software, you should attend this seminar!

By attending this workshop participants can expect to learn:

- To use Notebook software to create a presentation that's enriched with graphic detail
- To work with applications such as Microsoft Word, Excel, and PowerPoint on your SMART Board Interactive Whiteboard
- To use SMART Board Tools to quickly access functions that help you operate the interactive whiteboard more effectively

You will leave this session comfortable with the SMART Board Interactive Whiteboard and Notebook software and how to use them.
